

Banchory Golf Club Women's Charter

As part of Banchory Golf Club commitment to the Women's Golf Charter – below are our aims and responsibilities.

We will ensure there are opportunities for competition golf on two weekdays and one weekend day providing equal access for all.

The Wednesday Competition at Banchory Golf Club is open to all.

The Get into Golf Lessons will be open to all when they are available.

The Ladies committee welcome all new members and encourage them to play for a handicap.

There are no gender nominated tees at Banchory Golf Club and ladies are encouraged to play from those they wish to when submitting a general play score for a handicap or casual game.
